13 May 2021

Dear Parents/Carers

As of Monday 17 May students will no longer be required to wear face coverings when in school. This means they will not be required in the classroom or in communal areas such as corridors or dining areas. However, if students still wish to wear face coverings in classrooms or communal areas they may continue to do so. This decision is based on the guidance provided by the Department of Education following the government's latest set of announcements relating to Covid-19.

The students will continue to be organised in bubbles and zones based on their year group. We will maintain additional measures such as regular hand sanitising and separate entrances and exits to mitigate against any spread of the infection in school.

The government is due to move to the next stage of its Covid-19 roadmap in mid June so I will update you on any impact that will have on school operations in due course.

Yours faithfully

**Mr G Harris
Principal**
