29 November 2021

Dear Parent/Carer

Face Masks

From Monday 29 November 2021 students in all year groups are required to wear face coverings in communal areas in school. The communal areas are as follows:

- Dining room
- PE changing rooms
- Corridors
- Assembly hall

Please ensure your child brings an appropriate face covering to school each day. A small number of students are medically exempt from wearing a mask so we will make sure all staff know who these are to avoid confusion.

Later Flow Testing

Students should continue to test twice a week. The ideal time to test is Sunday evenings or Monday mornings followed by a second test on Wednesday or Thursday. So far this year LFTs have played a key role in stopping cases of Covid 19 making it to the school site and subsequently increasing infections at BCA. **I'd like to thank you for your support on this matter but also remind you that testing continues to play a key role in allowing the school to operate fully for all students.**

Finally, a reminder that if your child tests positive on a later flow test you should do the following:

- Inform the school's Attendance Manager.
- Do not send your child to school.
- Book a PCR test and keep your child at home until you are informed of the result.
- Inform the school's Attendance Manager on the PCR test result.

Yours faithfully

Mr G Harris
Principal
