02 March 2022

Dear Parent/Carer

On Thursday 24 February the government removed the legal requirement to self-isolate following a positive Covid 19 test result. However, as per the government guidance children and adults who test positive as *advised* to stay home and avoid contact with other people for at least 5 full days. Students should then return to school on day five following two negative test results on the morning of four and day five.

As all legal restrictions relating to the spread of Covid 19 have now been lifted we will no longer be providing all students with lateral flow tests unless they are specifically requested by parents/carers.

I'm pleased to say that attendance levels in the first two days of term are showing positive signs of returning to pre-pandemic levels so I am hopeful that the worst of the disruption to the education and attendance of students is behind them.

Yours faithfully

Mr G Harris
Principal
