Dear Parent/Carers

Due to the extreme warm weather expected on Monday and Tuesday next week we are making the following changes.

- On Monday and Tuesday only, all students do not need to wear a tie or blazer. They can attend school in their usual school trousers/skirt and white school shirt. Shirts can be worn, untucked and without top button done up. School shoes should be as normal.
- Our planned sports days for Monday and Tuesday are postponed. We will update on this early next week in relation to sports days planned for Wednesday and Thursday.
- We will have classrooms available at breaks and lunchtimes so students can remain indoors.
- Scheduled PE lessons will take place indoors with more frequent rest and water breaks built in.
- We have purchased several hundred additional bottles of water to ensure all students can remain hydrated.
- We will have additional water freely available at breaks and lunches.

I would also like to encourage parents/carers to ensure their child brings water with them for these two days, apply sunscreen in advance of arriving at school and bring extra sunscreen with them should they need it.

Yours faithfully

**Mr G Harris**
