Dear Parents/Carers

I am writing to inform you of a serious concern that has been brought to our attention. We have been informed that some of our students have been involved in anti-social behaviour when travelling to and from school. This behaviour has included gathering in large groups, damaging the property of elderly local residents, and in some cases encouraging other students to fight.

I would like to express my deep disappointment and concern regarding this matter. We take our responsibilities towards our students, their families, and the wider community very seriously, and we expect our students to behave appropriately and with respect when travelling to and from school.

It is important to emphasise that the behaviour of our students reflects on the school, their families, and the wider community. We would, therefore, urge parents and carers to encourage their children to return home directly from school and avoid loitering around in the community. We would also like to remind parents that any poor behaviour by their children that is reported to us will be treated seriously by the school.

Whilst I recognise it will be a small minority of students letting the school down it is important to make clear to all students that they are expected to behave respectfully in the community.

We will be taking appropriate measures to address this issue, and we expect your support in communicating our expectations to your children. Our school has a strong ethos of mutual respect and positive behaviour, and we expect all of our students to adhere to this both in school and the wider community.

We appreciate your support in this matter and look forward to working together to ensure that our students continue to be positive contributors to the community.

Yours faithfully

Mr G Harris
Principal
