Dear Parent/Carer

We have reached the end of another academic year and I would like to start by thanking you for the support you continue to provide the school and students. 2022-23 has once again been a very busy year with our students participating in a wide range of activities and opportunities. Ensuring the classroom-based curriculum is complemented with an extensive enrichment and extra-curriculum programme is something we place great value on here at BCA.

There have been a number of highlights this year including having the opportunities to work with undergraduates from Oxford University, taking part in the Teen Tech Innovation Competition in London, competing in the Warrington Rowing Club Regatta and meeting business leaders from across Cheshire as part of their careers education. Looking forward to 2023-24 we already have a number of exciting extra-curricular opportunities planned for our students, including 44 in Year 10 preparing to fly to the USA to visit Harvard University in Boston.

I hope you continue to encourage your child to participate as much as possible in our enrichment and extra-curriculum programme. In September will write to you to outline our daily enrichment programme so your child can register for clubs, teams and classes for the year ahead.

End of term

The school year will end of Wednesday 26 July. Students will depart early on this day at 12:10pm. Students who have placed an order for packed lunch will be able to collect them at break time.

Start of the New School Year

The new school year will start on Wednesday 6th September 2023. The table below outlines what time students should arrive dependent on their year group:

Year group	Expected time
Year 7	8:15 am
Year 8	8:45 am
Year 9	9:15 am
Year 10	9:45 am
Year 11	10:15 am

In the coming days and again in September you will receive a letter that reminds you and outlines two key areas for parents/carers:

1. Our expectations on student behaviour.
2. Our expectations on student uniform and dress.
