Dear Parent/Carer,

Ofsted Inspection

Following the Ofsted inspection of the school undertaken on 5th/6th July 2022 I'm pleased to be able to publish the report. The inspection has once again judged BCA to be a "good school". This is an excellent reflection of the great work that goes in the school on a day-to-day basis. There are many positives in the report but I was particularly pleased to note that the inspection team recognised so many aspects of the high-quality education we continue to provide. Inspectors were especially impressed with the standards of student behaviour, the quality of our careers advice and guidance, the content of our personal development curriculum and the wide range of extra-curricular activities we offer. Perhaps most pleasingly, the inspection team recognised the high-quality academic curriculum students have access to as part of their education. This is an area to which we have given much thought and consideration in recent years.

In addition to these excellent results across the range of GCSE subjects we have also seen students secure improved outcomes across the curriculum, including engineering, ICT, health and social care, and PE. As with the OfSTED report these results reflect the excellent work taking place in the school.

I would also like to thank parents and carers who continue to support the school and their children. Without that support results like this become much harder to achieve.

I look forward to meeting you throughout the course of this academic year.

Yours faithfully,

Mr G Harris
Principal
