Dear Parent / Carer

Access to School Site at the End of the Day

I need to remind you that you should not be driving onto the school site to drop off and/or collect your child at the start and end of the school day.

If you are dropping off or collecting your child by car at the start and end of the school day you are able to use the parking facilities at Tetley Walker's Social Club.

You are only permitted to park onsite if you have a pre-arranged appointment with a member of staff.

Disabled Parking Spaces

We have four parking spaces that are designated "accessible parking bays". **These are strictly for the use of blue badge holders.** In recent weeks we have parents/carers parking in these spaces who are not blue badge holders and have subsequently caused distress to families and students that due to physical disabilities need full access to these bays. Please do not use these bays unless you have the designated blue badge displayed clearly in your windscreen.

Yours faithfully

Mr G Harris
Principal
