

## **Effective revision strategies for GEOGRAPHY**

1. Quizzing (Flash cards, Bitesize, Homeworks, CGP challenge cards, Revision notes held by other person)
2. Cover and check (complete a knowledge dump/knowledge organiser/mind map then compare to revision notes to identify gaps in your knowledge)
3. Exam Question Practice (Past Papers, Homeworks, CGP exam workbook, teacher given work)
4. PKL note conversion (Converting written revision notes into Point, Knowledge and Link style paragraphs similar to Point, Explain, Evidence paragraphs)
5. Develop an opinion (Decide for yourself what specific strategies or impacts in the case studies are the most successful/impactful compared to others)
6. SENECA revision
