History

History GCSEs are on the horizon. Key dates for diaries include: Paper 1 Medicine – Wednesday 15th May AM; Paper 2 Elizabeth & American West – Tuesday 4th June PM; Paper 3 Weimar and Nazi Germany – Tuesday 11th June PM. Students need to bring all revision guides to lessons as the lessons will be focused on exam technique and revision of skills/knowledge. Students have the options to attend History Boosters on Tuesdays and Thursdays. After school intervention will be open to those students who want to achieve 5 – 9 on History – this will take place on Tuesdays, after school. Weekly homeworks will continue to be set and students need to be revising as well as completing the set homework. It is vitally important that students are following their own individual revision timetables to help manage the load.

Computer Science

With very few lessons left before the first exam we will now be covering a range of sub topics from across both component 1 and 2, that have been identified mainly during the most recent PPEs, as still being areas for development. Inevitably this will be dominated by the programming and algorithms content from component 2 and the focus will be all about working through a wide range of examples of algorithm exam questions, covering a wide range of programming techniques.

Business & Enterprise

Students

Hospitality

Students are continuing to work through the Unit 1 specification in readiness for their external examination in June. We will be finishing the content, looking at how the Hospitality and catering sector operates and moving onto food safety and hygiene. Then starting to work on exam practice and revision.
