Dear Parents and Carers,

Re: Temporary Pedestrian Access

I am writing to inform you about an important project scheduled to take place at Beamont Collegiate Academy from **4th to 11th December 2024**. During this time, we will be moving the pedestrian access gate to improve safety, safeguarding and accessibility for our students, staff, and visitors.

While the work is underway, **temporary pedestrian access will be provided via the existing vehicle gate**, please see image below. Staff, pupils and visitors will have to enter and leave the school site through this access. We understand that this change may cause some inconvenience, and we are committed to ensuring the safety and smooth movement of all individuals during this period.

To achieve this:

- Barriers will be set up within the vehicle entrance to separate pedestrian and vehicular traffic.
- Additional **staff and signages** will be present during start and end of day times to guide students and parents safely.
- We ask for your co-operation in ensuring that all children and visitors follow the temporary arrangements.

The project is essential for enhancing our site's overall safety and will provide long-term benefits for the school and wider community. We appreciate your understanding and patience as we work to complete the project efficiently and with minimal disruption.

Should you have any concerns or require further clarification, please do not hesitate to contact the academy office.

Yours sincerely

Mr G Harris
Principal
